## FLAWED IS FABULOUS

"I grow garden roses—I adore their scent. Other varieties can appear too perfect, but these have a natural look."

## INSTANT ROOM

### A COZY LIBRARY

London designer Veere Grenney tosses modern shapes into a traditional palette to create a rich, inviting cocoon for reading the latest novel fireside. "I like libraries to be neutral and dark, so they're atmospheric," he says. "It makes the room all about the books."

Black bookcases provide a dramatic backdrop for colorful books. Sofas upholstered in Piet linen in Chocolate from Schumacher.

## TABLE TALK

"When walls and curtains are the same tone, I often want to use contrasting pieces. The shape of this side table we designed is lovely, and the dark lacquer gives it a very sharp line."
